

BEBOP SCALE EXERCISE

TRUMPET IN B \flat

MATT ANKLAN

TIP: SOME OF THE KEYS MAY GO BEYOND THE PLAYER'S NORMAL RANGE, IF THIS IS THE CASE, TRANSPOSE DOWN AN OCTAVE WHERE NECESSARY. IT IS RECOMMENDED TO PAUSE BRIEFLY BETWEEN EACH KEY. ALWAYS ENSURE THAT THE EXERCISES ARE PLAYED WITH A GOOD TIME FEEL, AND EMPHASIZE THE CREATION OF A BEAUTIFUL TRUMPET SOUND THROUGHOUT ALL REGISTERS.
